Sir,

Sub: Local Development works--R.W.S--Mangalore taluk--Harekala village--Community Project area--Well work in S.No.85/1alB- Inclusion--Proposals.

Ref: B.P.Rt.6884 dated 18.9.53.
2.Government Memorandum No.3098 Public RDP.VI.55.11 dated 7.10.55.
3.From the Project Executive Officer Mangalore L.Dis.747-55 dated 22.10.55.

In B.P.Routine 6884 dated 18.9.53 the Board sanctioned a well work in S.No.85/1alB of Harekala village in Mangalore Taluk at an estimated cost of Rs.5500/- and ordered that the site of the well should be acquired for the purpose. The land acquisition proceedings has reached the award stage. The Revenue Divisional Officer Coondapur has requested the Project Executive Officer Mangalore to deposit an amount of Rs.4-9-7 being the cost of land.

2. As the well work is in the Project area the Project Executive Officer South Kanara was requested to see that the estimates were prepared and got sanctioned urgently. The Project Executive Officer has now submitted a revised estimate for Rs.4000 and states that as the allotment provided for the sinking of wells under Rural Health and Sanitation under C.P scheme is completely exhausted, it is not possible to take up the work under the said scheme. He has recommended that it may be sanctioned under the L.D works programe with reference to the instructions contained in Govt. Memo 3098 RDP.VI.55.11 dated 7.10.55.

2. As this is a work already sanctioned by the Board in 1953 and as there is no allotment in the community Project it may be treated as a special and exceptional case and the Government may be pleased to order its inclusion under the L.D works Programme.

Yours faithfully,

6.11.55

To Sri A. Somasundaram, B.A., Additional Secretary, Board of Revenue.

Read: From the Collector of South Kanara, Ref.M7.29318/55 dated 5.11.55.

Reference: Submitted to the Government.

2. The Mangalore Taluk is a Community Project Area since 1952-53 and the work in question was sanctioned by the Board in its proceedings Rt.6884 dated 18.9.1953 under the Comprehensive Scheme. The delay in taking up this work is evidently due to the land acquisition proceedings.

As the acquisition of lands required for Local Development Works at Government cost would be against the spirit of the scheme and as there appear to have been no specific orders in September, 1953, prohibiting the execution of well works in Community Project areas, the Board requests that the Government may be pleased to permit the Collector of South Kanara to execute the work under the Comprehen- Scheme.
